💎💎💎 Specializes in PHP Development. 💎💎💎

With 10+ years software development experience, I have contributed to projects small and large, demonstrating my professionalism with unmatched quality and reliability regarding to PHP. Being a professional developer means understanding all the requirements of a project and finding the best way to implement it to a high-quality standard. As a senior PHP developer, I am proficient with various frameworks such as Laravel, CodeIgnitor, Zend, Symfony.

I always focus on project structures and coding style.
